

# KITTERY WATER DISTRICT BOARD OF TRUSTEES MEETING MINUTES

**Date:** June 27, 2023

**Time:** 10:00 a.m.

**Place:** 524 Route 1 Kittery, Maine

**Members Present:** Gray, Melhorn, Perry, Robinson

**Members Absent:** Golter

**Staff Present:** Rogers, Palm

This meeting was a site walk at 524 Route 1 in Kittery, a property that was presented to the trustees by Chris Erickson of Aland Realty as a possible new site for Kittery Water District office and laydown yard.

Meeting started: 10:08 a.m.

The group walked the front half of the property, closest to Route 1.

Questions were raised about location of our building too far from the road and associated cost of infrastructure, also having to make a left turn onto Route 1 when exiting the property.

It was noted that it is possible to locate our building closer to Rt 1 thereby reducing infrastructure installation costs.

Chris Erickson joined the meeting toward its end.

Meeting adjourned: 10:52 a.m.

Respectfully submitted

Robert A. Gray  
Clerk
